

## Practising Rural and Remote Medicine - Moving Forward

16 - 19 November 2006 | University of Adelaide SA

### Conference Program

The ACRRM 4th Scientific Forum comprises a full academic day, medical education updates, as well as hands on clinical skills training and upskilling opportunities.

(Various workshops included in the program are eligible for Procedural Grant application - Refer shaded titles marked \*\* in following pages)

Kindly supported by:

### THURSDAY 16 November: Procedural, Clinical and Educational Workshops

A choice of workshops available, including:

- ACRRM Education and Training stream:
  - relevant to all those interested in/involved in training towards FACRRM
  - provides ACRRM updates and Rural Clinical School forum focused on looking at time efficient training pathways to Rural and Remote Medicine
- Ultrasound
- Radiology
- Emergency Medicine Updates
- Aboriginal Health
- ACRRM surveyor training for accreditation of RTPs
- Sustainable practice IT Management

### FRIDAY 17 November: Academic Day

A full scientific day devoted to the latest research and innovation in Rural and Remote Medicine covering the Forum's key themes:

- Rural and Remote Medicine – caring for a rural community
- Education and training for rural and remote doctors
- Supporting a skilled and sustainable rural health workforce
- Innovative service delivery in Rural and Remote Medicine

### SATURDAY 18 November: Procedural, Clinical and Educational Workshops

A choice of workshops available, including:

- |                                       |   |   |
|---------------------------------------|---|---|
| <input type="checkbox"/> Ultrasound   | <input type="checkbox"/> Dermatology          | <input type="checkbox"/> OTD initiatives              |
| <input type="checkbox"/> Radiology    | <input type="checkbox"/> Teaching on the Run  | <input type="checkbox"/> Registrar case presentations |
| <input type="checkbox"/> Anaesthetics | <input type="checkbox"/> Hepatitis C and STIs | <input type="checkbox"/> Zoonosis                     |
| <input type="checkbox"/> Plastering   | <input type="checkbox"/> RRMEO training       | <input type="checkbox"/> Medical Emergencies          |
| <input type="checkbox"/> ENT          | <input type="checkbox"/> Toxinology           |   |

### SUNDAY 19 November: ACRRM, RDAA and RMFN Annual General Meetings, and Workshops

- Mental Health Workshop

### About the venue

The Main Venue for the weekend is the University of Adelaide. Some clinical workshops will be held at the Royal Adelaide Hospital (within walking distance of the University).

# THURSDAY 16 NOVEMBER 2006

# DAY 1

## Morning program

8.00am ❖ WELCOME TEA & COFFEE / REGISTRATION & HOUSEKEEPING

(Equinox Room)

9.00am – 10.30pm ❖ SESSION ONE				
Session Code	Workshop	Presenter/Facilitator	Location	Quota
CS16-101	<b>ACRRM Education &amp; Training Day</b> <b>Session 1- ACRRM &amp; the resurgence of the rural generalist</b> <ul style="list-style-type: none"> <li>Recognition of Rural Medicine</li> <li>Rural Medical Generalism deconstructed and defined</li> <li>Collaboration and partnerships, focusing on implementation of ACRRM pathways</li> </ul>	<b>Dr David Campbell (Chair)</b> <b>A/Prof Richard Murray</b> <b>Ms Vicki Sheedy</b>	Eclipse Room Level 4, Union Building University of Adelaide	Unlimited
CS16-102 **	<b>Introduction to Ultrasound (Part A)</b> An introductory, hands on session covering knobology of ultrasound and basic abdominal ultrasound	<b>A/Prof Suzanne Langlois</b>	Skills Centre, Staff Dev. Dept. Level 2 Eleanor Harrald Building, Royal Adelaide Hospital	30
CS16-103 **	<b>Emergency Medicine Updates</b> Includes updates on new ARC Guidelines, retrieval scenario discussion as well as a refresher on the important drugs to have in your doctor's bag	<b>Dr Bill Nimorakiotakis (Nimo)</b>	Little Theatre, Ground Level, Union Building University of Adelaide	Unlimited

10.30am ❖ MORNING TEA

11.00am – 12.30pm ❖ SESSION TWO				
CS16-201	<b>ACRRM Education &amp; Training Day Ctd</b> <b>Session 2 - New models of curriculum and assessment</b> <ul style="list-style-type: none"> <li>ACRRM Assessment update</li> <li>Rural medicine – international perspectives</li> </ul>	<b>A/Prof Liz Chalmers (Chair)</b> <b>Prof. David Prideux</b> <b>Dr Janie Smith</b> <b>Prof. Tim Wilkinson</b> <b>Dr Joanna Bates</b> <b>Prof. Roger Strasser</b>	Eclipse Room Level 4, Union Building University of Adelaide	Unlimited
CS16-202 **	<b>Introduction to Ultrasound (Part B, Ctd Session)</b> An introductory, hands on session covering knobology of ultrasound and basic abdominal ultrasound	<b>A/ Prof Suzanne Langlois</b>	Skills Centre, Staff Dev. Dept. Level 2 Eleanor Harrald Building Royal Adelaide Hospital	30
CS16-203 **	<b>Emergency Medicine Updates (Repeat Session)</b> Includes updates on new ARC Guidelines, retrieval scenario discussion as well as a refresher on the important drugs to have in your doctor's bag	<b>Dr Bill Nimorakiotakis (Nimo)</b>	Little Theatre, Ground Level, Union Building University of Adelaide	Unlimited
