

FLINDERS UNIVERSITY
ADELAIDE • AUSTRALIA

Centre for Neuroscience

Researching the nervous system in health and disease

CNS 25th ANNIVERSARY SYMPOSIUM

List of Participants

Dr Sarah Baker, Dept of Anatomy & Histology, Flinders University
Prof Greg Barritt, Dept of Medical Biochemistry, Flinders University
Dr Dimi Beroukas, Dept of Immunology, Allergy & Arthritis, Flinders University
Prof Bill Blessing, Dept's of Medicine and Human Physiology, Flinders University
Mr Rick Blood, Dept of Medicine, Flinders University
Ms Michelle Bown, Dept of Anatomy & Histology, Flinders University
Mrs Diana Bridges, Bellevue Heights, SA
Ms Kate Brody, Dept of Human Physiology, Flinders University
Dr Kathleen Burman, Dept of Medicine, Flinders University
Ms Petra Bywood, Dept of Clinical Pharmacology, Flinders University
Ms Julie Caddy, Dept of Medical Illustration & Media, Flinders University
Assoc Prof Colin Carati, Dept of Anatomy & Histology, Flinders University
Prof John Chalmers, Institute for International Health, University of Sydney
Ms Brenda Champion, Flinders Medical Centre Foundation
Ms Bao Nan Chen, Dept of Human Physiology, Flinders University
Mr Jinglong Chen, Dept of Medical Biochemistry, Flinders University
Assoc Prof Richard Clark, Dept of Psychology, Flinders University
Prof Marcello Costa, Dept of Human Physiology, Flinders University
Prof Ann Crocker, Dept of Clinical Pharmacology, Flinders University
Dr Ian Doyle, Dept of Human Physiology, Flinders University
Dr Tom Duthy, Flinders Technologies Pty Ltd
Prof Anne Edwards, Vice-Chancellor, Flinders University
Ms Janine Edwards, Dept of Human Physiology, Flinders University
Dr Shi Qing Feng, Dept of Human Physiology, Flinders University
Ms Natalie Fenwick, Dept of Medicine, Flinders University
Mr Sean Fitzgibbon, Department of Medicine, Flinders University
Ms Robyn Flook, Dept's of Medicine and Human Physiology, Flinders University
Prof John Furness, Dept of Anatomy & Cell Biology, University of Melbourne
Dr Wei Ping Gai, Dept of Human Physiology, Flinders University
Assoc Prof Bren Gannon, Dept of Anatomy & Histology, Flinders University
Mr Kerry Gascoigne, Dept of Anatomy and Histology, Flinders University
Prof Laurie Geffen, Dept of Psychiatry, University of Queensland
Prof Ian Gibbins, Dept of Anatomy and Histology, Flinders University
Ms Judy Gotch, Eden Hills, SA

Dr Devika Grasby, Bedford Park, SA
Dr Dallas Grasby, Bedford Park, SA
Ms Marlene Grivell, Dept of Surgery, Flinders Medical Centre
Assoc Prof Glenda Halliday, Prince of Wales Medical Research Institute
Dr Anne Hamilton-Bruce, Department of Neurology, The Queen Elizabeth Hospital
Assoc Prof Prue Hart, Dept of Microbiology & Infectious Diseases, Flinders University
Ms Deborah Heithersay, Flinders Medical Centre Foundation
Dr Stephen Helps, Dept of Medical Biochemistry, Flinders University
Dr Grant Hennig, Dept of Human Physiology, Flinders University
Dr Jenny Hiscock, Dept of Human Physiology, Flinders University
Dr Anthony Hodgson, Illawarra Health, University of Wollongong
Prof Peter Howe, Dept of Physiology, University of Adelaide
Dr Yue Huang, Dept of Human Physiology, Flinders University
Mr Patrick Hughes, Bedford Park, SA
Dr Charles Humphreys, Dept of Human Physiology, Flinders University
Dr Phillip Jobling, Dept of Anatomy and Histology, Flinders University
Dr Steve Johnson, Dept of Clinical Pharmacology, Flinders University
Dr Sarah Louise Jones, Dept of Human Physiology, Flinders University
Prof Ross Kalucy, Dept of Psychiatry, Flinders University
Dr Janet Keast, Prince of Wales Medical Research Institute
Dr Xiaohong Kong, Dept of Human Physiology, Flinders University
Dr Laki Kumaratilake, Dept of Paediatrics & Child Health, Flinders Medical Centre
Dr Diane Lee, Dept of Medical Biochemistry, Flinders University
Ms Michelle Lewis, Dept of Anatomy and Histology, Flinders University
Ms Li Li, Dept of Human Physiology, Flinders University
Prof David Lines, Dept of Paediatrics, Flinders University
Dr Chris Lunam, Dept of Anatomy and Histology, Flinders University
Dr Penny Lynn, Dept of Human Physiology, Flinders University
Ms Lorraine Mackenzie, Department of Medicine, Flinders University
Prof Chris Marlin, Pro-Vice-Chancellor, Flinders University
Ms Carolyn Martin, Dept of Medicine, Flinders University
Ms Sue Matthew, Dept of Anatomy and Histology, Flinders University
Mr Dusan Matusica, Dept of Human Physiology, Flinders University
Dr Raya Mayo, Glenunga, SA
Dr Adrian Meedeniya, Dept of Molecular Biosciences, University of Adelaide
Ms Margaret Menadue, Dept of Medicine, Flinders University
Ms Jing Xian Mi, Dept of Human Physiology, Flinders University
Assoc Prof Judy L Morris, Dept of Anatomy and Histology, Flinders University
Assoc Prof Margaret Morris, Dept of Pharmacology, University of Melbourne
Ms Sam Moyle, Dept of Human Physiology, Flinders University
Dr Liz Murphy, Dept of Human Physiology, Flinders University
Dr Hakan Muyderman, Dept of Medical Biochemistry, Flinders University
Dr Eugene Nalivaiko, Dept of Human Physiology, Flinders University
Dr Beatriz Negrette, Dept of Clinical Pharmacology, Flinders University
Ms Glenda Neild, Flinders Medical Research Institute, Flinders University
Assoc Prof Tim Neild, Dept of Human Physiology, Flinders University
Prof Terry Nicholas, Dept of Human Physiology, Flinders University
Ms Fay Nichols, Office of Education, Flinders University
Assoc Prof John Oliver, Dept of Human Physiology, Flinders University
Dr Catharina Olsson, Dept of Human Physiology, Flinders University
Ms Hwei Ling Ong, Dept of Medical Biochemistry, Flinders University
Dr Yoichiro Otsuka, Dept of Medicine, Flinders University

Ms Olivia Pallotta, Biomedical Engineering, Flinders Medical Centre
Assoc Prof Paul Pilowsky, Dept of Physiology, University of Sydney
Dr Dean Pountney, Dept of Human Physiology, Flinders University
Dr John Power, Dept of Human Physiology, Flinders University
Ms Karen Price, Dept of Human Physiology, Flinders University
Dr Tamath Rainsford, Dept of Human Physiology, Flinders University
Mr Jason Ritchie, CAL Unit, Flinders University
Mr John Robson, Biomedical Engineering, Flinders Medical Centre
Dr Sue Runciman, Dept of Anatomy and Histology, Flinders University
Prof Robert A Rush, Dept of Human Physiology, Flinders University
Assoc Prof Gino Saccone, Dept of Surgery, Flinders Medical Centre
Dr Ken Sanderson, School of Biological Sciences, Flinders University
Mr Brad Seaman, NCETA, Flinders University
Prof Bob Seamark, Flinders Medical Research Institute
Dr Shiwani Sharma, Dept of Ophthalmology, Flinders University
Dr Toshihiko Shimizu, Dept of Anatomy & Histology, Flinders University
Assoc Prof Neil Sims, Dept of Medical Biochemistry, Flinders University
Ms Leanne Skinner, Australian Hearing, University of Queensland
Ms Anne-Louise Smith, Biomedical Engineering, Flinders Medical Centre
Mr Peter Steele, Happy Valley, SA
Ms Vija Steele, Happy Valley, SA
Mr Xingyun Song, Dept of Human Physiology, Flinders University
Mr Hiro Tani, Dept of Human Physiology, Flinders University
Dr EE Hiok Teo, Bellevue Heights, SA
Ms Anna Thoren, Dept of Medical Biochemistry, Flinders University
Assoc Prof Dominic Thyagarajan, Dept of Neurology, Flinders Medical Centre
Mr Rogan Tinsley, Dept of Human Physiology, Flinders University
Dr John Turner, Flinders Technologies Pty Ltd
Dr Hans van den Bos, Dept's of Psychiatry & Clinical Pharmacology, Flinders University
Mr Willem van Steenbrugge, Dept of Speech Pathology, Flinders University
Dr Hui Wang, Dept of Human Physiology, Flinders University
Assoc Prof David Wattchow, Dept of Surgery, Flinders Medical Centre
Ms Kristy Weir, Dept of Anatomy and Histology, Flinders University
Ms Cristie Williams, Dept of Human Physiology, Flinders University
Assoc Prof Keryn Williams, Dept of Ophthalmology, Flinders University
Prof John O Willoughby, Dept of Medicine, Flinders University
Dr Alan Wilson, Dept of Medical Imaging, Flinders University
Ms Jodie Wilson, Biomedical Engineering, Flinders Medical Centre
Prof Lindon Wing, Dean, School of Medicine, Flinders University
Ms Charmaine Woods, Dept of General & Digestive Surgery, Flinders University
Mr Robin Woolford, Biomedical Engineering, Flinders Medical Centre
Mr Ray Yates, Animal House, Flinders University
Dr Shi Yong Yuan, Dept of Human Physiology, Flinders University
Dr Lei Zhang, Dept of Human Physiology, Flinders University
Dr Xin-Fu Zhou, Dept of Human Physiology, Flinders University
Dr Baosong Zhu, Flagstaff Hill, SA
